APRAS PRIZE 2025

Dear Avana Framroz Patel,

The Plastic Surgery Section is pleased to confirm that your abstract:

The functional and aesthetic outcomes of virtual surgical planning in craniofacial surgery: a systematic review and meta-analysis

has been shortlisted for a **poster presentation** at the APRAS meeting on **Saturday 15 November 2025**.

[Aspiring plastics, reconstructive and aesthetic surgeons \(APRAS\)](#)

Please arrive at **8.30am** to set up your poster on one of the posterboards. During registration, break, and lunch, the judges will view the posters and ask you questions. They will then deliberate and announce prize winners after lunch. Please see the program [Aspiring plastics, reconstructive and aesthetic surgeons \(APRAS\)](#)

for more information on timings.

We would be grateful if you could print your poster and bring it with you on the day.

We are unable to print posters; however, you are welcome to have the poster delivered to our office at 1 Wimpole Street ahead of time. **Posters should be A1 in size and include references.**

If you have not already done so, please visit our website [Aspiring plastics, reconstructive and aesthetic surgeons \(APRAS\)](#) and register to secure your place. You will need to do this in the next 5 days.

Once you have registered for the event, please email us back and let us know.

If you submitted more than one abstract, at this point, unfortunately, we can only accept the one submission for which we announced you have been shortlisted.

If you have any further questions, please contact plastic.surgery@rsm.ac.uk

Kind regards,

Plastic Surgery Section

The Royal Society of Medicine, 1 Wimpole Street, London W1G 0AE, UK.
