

DR. AVANA FRAMROZ PATEL

RESIDENT DOCTOR

avana.framrozpatel@nhs.net

London, UK

EDUCATION

MBBS (2021-2026)

QMUL Barts & the London school of medicine and dentistry

International Baccalaureate (2021)

Charterhouse School, UK

EMPLOYMENT

- Foundation Year 1 Doctor: Northwick Park Hospital, LNWH NHS Trust | Aug 2026 - 2027 [Rotations: Cardiology, Rheumatology, General Surgery]
- Specialised Foundation Programme (SFP), FY2 Imperial College Healthcare NHS Trust (tentative)

RESEARCH | PUBLICATIONS | PRESENTATIONS

APRAS Prize Conference 2025 (plastics)

Poster presentation: The functional and aesthetic outcomes of virtual surgical planning in craniofacial surgery: a systematic review and meta-analysis.

Case reports

- Exceptional 10-year survival in glioblastoma.
- Recurrent steroid-responsive pseudo-recurrences in an IDH-mutant, 1p/19q-codeleted oligodendroglioma + proposed serial-MRI scoring framework to distinguish treatment-related change from true recurrence.

Earlier academic writing

Research essays presented at QMUL (neurohormone release in the HPA axis; alcohol dependency and altered glucose metabolism; vaccine-induced immune thrombotic thrombocytopenia; critical appraisal of antiepileptic drugs in Parkinson's disease; da Vinci® surgical system). Entrant, University of Cambridge Robinson College Medical Essay Competition (antibacterial properties of Cu²⁺ ions).

TEACHING & LEADERSHIP

- **Founder and President:** Plastic Surgery and Dermatology Society, QMUL | 2023–2026
- **Course designer and lead instructor:** Tendon Repair Practical Course. Designed and taught practicals (Kessler, Adelaide and cruciate repair)
- **Student Representative (Year 1):** Queen Mary University of London | 2021–2022
- **Leadership in Medicine seminar:** hosted by HE George Vella, President of Malta | 2024
- MedTech World conference, Malta 2025

COURSES & CERTIFICATIONS

Surgical

- Microvascular Anastomosis Course (Shaikat C. Chagla Memorial Trust)
- Z-plasty Course (AmoSmile)

Life support

- Immediate Life Support (ILS), in date
- Paediatric Life Support

Digital health and AI

- AI in Healthcare RCSI
- Barts AI for Student Learning and Research 2025/26
- Google Generative AI for Healthcare

Clinical Safety Officer Certifications

Digital Clinical Safety: Essentials and Intermediate Courses eNHS (Clinical Safety Officer training, DCB0129/DCB0160) | 2025

Clinical and public health

NHS e-Learning dermatology modules: psoriasis, eczema, pigmentary disorders, wound care · Introducing Health Inequalities in Primary Care · Nutrition Workshop (QMUL) · Certified modules in orthopaedics, rheumatology, biology of cancer, epidemiology, food and health

CLINICAL INNOVATION/DIGITAL HEALTH

VoxelOS

DICOM viewer for CT and MRI | Independently designed and built an education-first radiology viewer with cross-plane annotation.

Z-plasty Surgical Simulator

Built a virtual simulator of Z-plasty flap design from a validated mathematical model

ECG Viewer Tool

Developed an ECG display and interpretation-teaching tool.

PROCEDURAL SKILLS

- **Procedural:** suturing and surgical hand ties, phlebotomy, cannulation, intramuscular and subcutaneous injection, casting and splinting, ECG and spirometry
- **Theatre:**
 - Assisted: humeral osteosynthesis and plating; hysterectomy
 - scrubbed and observed: mandibular free flap, ulcer debridement, laparoscopic cholecystectomy, anterior cervical discectomy, caesarean section, stripping phlebectomy
- **Imaging:** CT and MRI interpretation, plain film radiography

ELECTIVE CLINICAL EXPERIENCE

- **P. D. Hinduja Hospital Plastic Surgery** (Dr Amresh Baliarsing, MCh) | 2024; **Nair Hospital** Neurosurgery and Plastic Surgery | 2024, 2 months ; **R. N. Gamadia; Polyclinic** Vascular suturing training, case write-ups ; **Orthopaedics** (Dr Rustom Mody) | 2021-2022; **King Edward Memorial Hospital** Neurosurgery (Dr Adil Chagla) | 2020
- **QMUL clinical placements**, 2022–2026 Mater Dei Hospital, Sir Anthony Mamo Oncology Centre, Gozo General Hospital, Mount Carmel Hospital and Karin Grech Rehabilitation Hospital.
